

Baby medication and temperature tracker

BABY NAME

DATE

CAREGIVER

WHY ARE WE TRACKING?

Record only medicines already recommended for your baby. This sheet never selects a product or dose.

Temperature and symptoms

Date / time	Temp	Method	Symptoms, fluids or behaviour	Initials

Medicine given

Date / time	Exact medicine	Strength	Dose + unit	Initials	Notes

IMPORTANT

Use the dispensing label, packet and leaflet. Never copy an old dose from this page. If too much may have been given, contact NHS 111 now; call 999 for an emergency.
